

# Camp LIVIN Frequently Asked Questions

## **Who can come to Camp LIVIN?**

Camp LIVIN is for anyone. All members of your family are welcome, and whatever family looks like to you. Most camp activities are geared toward individuals six years of age and older.

## **What is the Cabin like?**

Each cabin is made up of 4 sleeping areas that are partitioned off with a pocket door. Each area has 4-5 twin beds. There is a common space in the middle of each cabin with couches, tables, a fireplace and a kitchenette. All cabins are accessible for those with mobility concerns.

## **Will we have our own bathrooms and showers?**

Each family gets their own section of a cabin with a bathroom, shower, and sink for each family.

## **Can we come just for one or two of the days?**

No, camp is created with a specific program that starts on Friday and ends Sunday. We have designed it this way in order for each participant to get the most benefit from Camp.

## **What kind of activities can we expect to do at Camp?**

Activities will include games, high ropes course, nature hiking, arts and crafts, swimming, waterfront, campfires, and small group activities.

## **What if it rains?**

Camp activities go on rain or shine. Many of our activities are held indoors and we can move everything inside if it rains. Please bring your rain gear just in case!

## **What is included in my registration?**

Registration for Camp LIVIN includes your family's housing, meals and activities for the weekend.

## **What accommodations can be made for special needs?**

Individuals anticipating accommodations for special needs are encouraged to talk with the Camp Director's regarding specific needs. In general, the Camp site is designed to be accessible to those with mobility concerns. The kitchen is able to accommodate a number of dietary needs. Camp activities are designed for all ages and abilities and adaptations can be made.

## **What is the cost to attend Camp?**

Because of our generous sponsors and donors that believe in Camp LIVIN, this experience is virtually free for the families attending. We ask for a \$50 registration fee, however we have financial assistance to help with that as well.

## **What are the cancellation guidelines?**

We will ask for a credit card up front when registering to simply secure your spot. Nothing will be charged to your card. In the event of a family canceling within 30 days of the start of camp and/or once registered and your family no-shows the day of Camp, there will be a charge of \$1,500 to your credit card for your family. This is what it would cost LIVIN for no-shows or cancellations.

## **What are the Covid guidelines?**

Our highest priority is to provide a safe environment for our families and volunteers. In accordance with best practices and guidelines from the Centers for Disease Control, American Camp Association, and the Minnesota Department of Health, we've developed a plan for Camp LIVIN. We acknowledge that the information regarding COVID-19 and its variants are changing frequently and we will continue monitoring things closely. \*\* For our full plan, please see the "Camp LIVIN Covid-19 Control Plan" document under the Camp LIVIN section of our website.
